

Letter from President

Dear Students:

As the book of Galatians Chapter 6 Verse 9 said, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." (NIV), there are God's appointed times for sowing, working and reaping. Our Yuin University is no exception.

The Lord wants to lead His children in the pathway of promotion. He has a purpose and destiny for our lives and He wants us to enter into it. Often we may go through the path of trials and tribulations in order to be shaped and refined and prepared to enter into the destiny that God has prepared for us. God leads us through a process of shaking and discipline which can be painful at that time. But later it will prove to be an invaluable and strong foundation for our lives.

Yuin University has recently gone through some stinging trials and hardships. Thanks to those experiences, Yuin University has become stronger and more mature as an educational institution. It is now high time to reveal its true value as one of very few comprehensive graduate and post graduate institutions in our ethnic communities. It also has the untapped pool of alumni from its near four decade existence.

As we look forward to achieving our near and long term goals for our Yuin University, we should count all those recent trials and hardships as blessings that will propel us to go farther in improving the lives of those in our communities through academic excellence and acts of love to those in need.

Sincerely,

President
Yuin University

Approval & Accreditation

Bureau for Private Postsecondary Education
Approval means the institution meets minimum state standards.

and

SEVIS 1-20 Form

Notice to Prospective Degree Program Students

This institution is approved by the Bureau for Private Postsecondary Education to offer degree programs. To continue to offer degree programs, this institution must meet the following requirements: Become institutionally accredited by an accrediting agency recognized by the United States Department of Education, with the scope of the accreditation covering at least one degree program. YUIN UNIVERSITY

SCHOOL OF THEOLOGY

SCHOOL OF BUSINESS ADMINISTRATION

School of Theology

Yuin University School of Theology is an interdenominational institute. Although the different religions have a different creed, we realize that they are closely interrelated with each other philosophically and spiritually. For the harmonious development of spiritual and religious education, Yuin University School of Theology provides several comparative theology courses. The aim of Yuin University School of Theology is to provide higher learning and continuing education for church pastors, religious leaders, and missionaries within the ministries in which they are currently involved. Undoubtedly, Christian ministry today is being carried on in the midst of tremendous revolutionary changes affecting every aspect of human life. Therefore, ministers of churches and religious leaders must not only ground themselves in basic biblical and theological foundations for ministry, but also possess professional competence and advanced skills and techniques in the areas of counseling, spiritual therapy, and intercultural communication.

Degree Programs

- Bachelor of Arts in Theology
- Master of Divinity
- Doctor of Philosophy in Theology

School of Business Administration

The School of Business Administration provides effective educational programs primarily directed to fully employed, highly motivated men and women who have the sincere desire to increase their job security, to improve their educational career prospects, and to accelerate their personal development without leaving their present job. Students who successfully complete the course offerings in Business Administration will:

- 1) Understand the overall significant role and responsibilities of administrators in the business firm;
- 2) Be qualified to increase the firm's profit through wise decision-making and implementation of managerial principles and the performance of their duties;
- 3) Be able to make the changes necessary to achieve organizational development and expansion
- 4) Utilize contemporary scientific approaches for the betterment and efficiency of the firm.
